

Social Service Ministry

Volunteer to “help out” St. Brigid’s Parishioners

St. Brigid Social Service Ministry committee is asking ALL parishioners to consider volunteering some time “on Occasion” to help out with our “own” Parishioners in need.

There are occurrences when some of our parishioners need help for a short period of time with certain activities such as; needing a ride to a doctor’s appointment, picking up groceries or medication, sitting with someone for a short time when they are sick or if their regular caregiver needs to run their own errands; maybe they need a light meal brought to them, light housework, light yard work, etc.

If you are able to help out once in awhile, please fill out a form on the table in the Narthex on the social service ministry table. Let us know what activities you can help with, what days and time of the week you are available and we will reach out to you when a volunteer activity meets your criteria.

If you have any questions, you can call or email Carol Bigam at 901-570-0755 or cbsundancer@yahoo.com or contact Suzanne Montgomery at 901-490-9722 or sumong49@gmail.com.

Thanks for your help!!
